Many thanks to Waynflete for providing the video stream.

Stark's layout (per COVID guidelines): See attached map.

Venue #1 will be the race course, including the field area and field warm-up loop.

Venue #2 will be a separate 1.2k loop for skiing/warm-up/entertainment for the gender not racing. The non-racing group can also hang-out in their team bus.

Only 2 coaches per team will be allowed into the stadium area (the field).

Any waxing should either be done at your bus or in the field (remember girls can't be in the field before 10:50). Please do not set-up on the trails outside the field.

Girls will have a 25 minute window for race course preview prior to their race – from 10:50 to 11:15 (remember it is a 2 lap course so they only need to preview about 2.7k).

2 porta potties at the trailhead.

Bibs will be available when you arrive. We will take scratches when you arrive.

Grooming will be done Friday evening. We have been working hard to remove debris and the course is skiing great – and fast!

Awards will be given, but distributed through individual schools – no group ceremony.

REMINDER: MASKS NEED TO BE WORN AT ALL TIMES – Covering the nose also!
